TITLE

Steve Klein

1/12/12 Forest team on EPA 8, 9, 10 Ad hoc work group talking about EPA + water quality issues. He aligns themselves with a multitude of issues. Peter was involved - wants to be less involved.

There is breakout 6/4 western + eastern impacts. Peter wants Steve to be more involved.

Also C-3 group? - Peter wants Steve to be involved more. Peter will not give up C-3, but will give up western forestry calls.

I will talk to Peter about C-3 call, meeting.

* Feb 2nd - Peter suggested going to Seattle with him on C-3. Steve would work on forest related issues. I will clarify with Peter - not ag or urban.

Steve is going to help Dome Power region 10 Portland.

1/12/12 WESP meeting.

Clarify COFFEE vs WESP manuscripts. A lot of overlap. What is COFFEE or WESP centre?

Follow-up meetings?

Take NW Forest Plan - Ray Davies - Spies -

What is NW Forest Plan + how relate to Steve Klein's forest service work.

✓ Mike can now use original VELMA results for H.J. Andrews.

Economic benefit for spotted owl benefits -
